Dear Parents,

It is my pleasure to welcome you and your family to Pebblecreek Montessori. Your child will be in our class this year. My name is Alberta De Martino and I am the lead teacher in the Daisy Room. I would like to begin by telling you a little information about myself.

My family moved to Texas from Niagara Falls, New York in 1996. I am married and the mother of one daughter. I have been teaching at Pebblecreek Montessori since March 2008. Prior to that, I taught Kindergarten and Third grade in a traditional school for many years, and have taught in traditional preschools in Texas for twelve years. Besides children, I love spending time with family, going to the movies, listening to music, shopping with my daughter and vacationing in Italy.

Our classroom assistants this year will be Ms. Kim and Ms. Pam. We welcome them and are excited to have them join our Daisy "family".

My classroom philosophy is to offer a safe nurturing, and loving environment where the babies in our care, can develop at their own pace. The children will be exposed to a great deal of spoken language, books with big colorful pictures, stories read with child-like expression, and many toys and games that improve hand-eye coordination. The infant room also has many toys that improve fine motor skills and help develop a child's cognitive skills. We welcome an open communication with you, as parents, for you are your child's greatest teachers. Working together for your child's best interests is the ideal situation. You may contact me through the email address is: daisy@pebblecreekmontessori.org

We look forward to spending time with you and your child this coming year. Please mark your calendars for August 20th, 2008 for our class picnic from 6pm to 7:30pm. If you have any further questions, please contact me at any time.

Respectfully

Ms. Alberta and the Daisy Room Team
