Dear Parents,

Welcome to Pebblecreek Montessori and especially the Buttercup Room.

My name is Meena Kara and I am your child's teacher.

Firstly, to tell you a little bit about me. I graduated from Marlow House Institute in the UK, in the field of Training and Development. My husband and I moved to the United States in 1997. I am Montessori certified and have worked at Pebblecreek since August 2003. I am also trained in the area of Montessori applied to children at risk for learning differences (MACAR).

I have two children, a daughter and a son. I recently started yoga, enjoy music and play the flute and recorder.

My classroom approach is to provide a safe and loving environment. I want your child to be happy whilst absorbing Montessori education. I focus on the development of the whole child, emotionally, socially and academically.

Mom and Dad, your first homework assignment is to write a letter about your child to me. Please write these letters without consulting with each other. Include things such as your child's interests, personality, fears, special ways to comfort or anything else you would like to share with me.

It is critical for teachers and parents to work together as a team with honest and open communication, as both parties truly want the best for the child.

Thank you for the opportunity for me to be in your child's life. Please mark your calendars for August 20th, 2008 for our class picnic from 6pm to 7:30pm. If you have any questions please feel free to contact me via the school phone number, 972 908 3797 or by e-mail, buttercup@pebblecreekmontessori.org
