

March 5, 2010

Dear Parents,

It is hard to believe another school year is coming to a close. As we begin to wrap up this year, we are looking ahead and making plans for the 2010-2011 school year. The elementary teachers have prepared a list of school supply items that will best prepare students for success in the classroom next year. The supplies on each list are tailored to each student's needs and ensure uniformity in supplies.

The school supplies will be delivered to Pebblecreek in an easy to carry Schoolkidz kit the week before school begins. The kit is a reusable archive box perfect for saving school memories. Teachers and students appreciate having the supplies early so they can organize the supply shelf and personal space together. We understand the fun of school supply shopping. That tradition can still be enjoyed by shopping for backpacks, lunchboxes and supplies to have on hand at home.

A few points to remember:

- Purchasing in bulk allows us to give you the best, economical pricing.
- Costs vary according to program and need.
- You won't have to search multiple stores or brave long back to school lines.
- This is not a fundraiser; it is a service we provide the families of Pebblecreek Montessori.
- **Lists are posted on the website and classroom doors** for you to see what will be inside the Schoolkidz kits.

Please return the attached form with your payment by **Friday, March 12th, 2010**. Friday is Parent/Teacher Conference Day and the last day before our spring break. We'll do the shopping for you! **Forms will not be accepted after the due date of March 12th.** Please understand that there will be no exceptions made due to an ordering deadline we have to meet so we can ensure you receive the best discounted price for your school supplies.

If you should have any questions, please feel free to contact Mrs. Chapman.

Sincerely,

The Elementary Staff
