Dear Parents

My name is Haley Clem, and I am the lead teacher in the Jasmine room. I have a degree from the University of Maine at Farmington and my Montessori teaching Certification from Southwest Montessori. I have been with Pebblecreek for six years, first as an assistant, and now as a lead teacher. I love animals and enjoy having many of them in our classroom. When I am not working I enjoy reading and doing home improvements with my husband. To meet the growing needs of our classroom, I will be working with two Montessori trained teachers, Ms Bini and Ms Tami. Ms. Bini has been with PCM since the school opened in 2002 and Ms. Tami is new to PCM, but has been at a Montessori school for over two years, she is now pursuing her teaching certificate.

On behalf of the Jasmine AYM class, I would like to welcome you to Pebblecreek Montessori School! We are very excited to have your family join ours. The unique environment of the AYM provides a home-like setting for your children. It is relaxed, yet structured and the children are able to work daily with the Montessori curriculum without interruption.

In the AYM classroom each child is observed and given individual lessons according to his/her developmental and academic needs. The Montessori child is encouraged to make choices and work at his/her own pace. During the year, the children will be introduced to cooking, sewing and gardening, in addition to the Montessori academic work. The children will spend time participating in various outdoor activities, which will teach them to respect and appreciate the natural world. This appreciation is fundamental to the teachings of Maria Montessori.

Now that you know more about us, we would like to know about you! Please send us a letter (one from each parent, and done separately) about your child. Please include their interests, likes, dislikes, daily routine, and their personalities. We look forward to receiving this letter at the start of the school year. You may deliver the letter to me in person or mail it to the school to my attention. Please mark your calendars for August 21st, 2008 for our class picnic from 6pm to 7:30pm. If you have any questions or concerns, please contact me by email at aym@pebblecreekmontessori.org or 972-908-3797.

Sincerely,

Ms. Haley
