

Welcome Letter 2008 -2009

Hello,

Welcome to the Lower El Blue Room! My name is Mrs. Viji Sridhar and I will be your guide this year.

This summer has been very interesting so far. We are thrilled to be in our new location and we spent a lot of time preparing for the return of our students. I am happy to report that all our materials reached safely; nothing broken. The children did a wonderful job carefully packing our class, thank you!

I participated in "Jump Start to First Grade" and had the privilege to meet most of our incoming first year students. We spent our time working and playing and getting to know each other and the environment. It was a lot of fun. What an awesome group of children.

I hope all of you are having a great summer. This is a good time to relax, to sleep in, to learn a new sport, to go swimming, to start a new hobby and even to go on small field trips. I look forward to hear how you spent your summer vacation.

Once again, I welcome all of you to another exciting and wonderful year at Pebblecreek. I hope to see all of you at the picnic on -----

Warm Regards,
Viji Sridhar
