

From the Tulip Room...

Dear Tulip's Parents:

Ms Odette Ibarra and I welcome you to the Tulip Room. For those new parents who know little about us: The Tulip room offers a happy and fun environment. Our approach in education is based on educating the "whole child". Independence and respect are our basic goals. The Tulip Room offers a unique environment by adding Spanish Immersion to our curriculum. All lessons, greetings, questions and answers will be presented and spoken in English and Spanish. Ms Odette will be the Spanish speaking guide and I will be the English speaking guide.

As classroom guides, we would like you to feel comfortable when leaving your children in our care. Please feel free to call us and make an appointment whenever you feel it is needed. We thank you for choosing Pebblecreek Montessori School where we meet your children's emotional, social and academic needs.

We would like to invite you to come and meet the other Tulip families at our Tulip Room Picnic to be held on Tuesday, August 19th from 6:00pm to 7:30pm. It is always fun.

We would also like to request a letter from you to us, describing your child's personality, hobbies, likes and dislikes and anything else that could help your child adjust to the new environment.

We are looking forward to seeing you,
