Dear Upper Elementary Students and Parents,

Welcome back to the Upper Elementary program at Pebblecreek Montessori for the 2008-2009 session! Our new classroom is ready and I know you will love the beautiful, scenic view and will enjoy working in the new environment.

I hope you are well and enjoying the summer vacation. The first day of school is just around the corner. I am very eager to see all of you again and hear about your summer adventures.

This summer has been very relaxing for me. I have enjoyed reading a few novels and am eagerly looking forward to the start of the Beijing Summer Games. On a personal note, I also made a short, one week visit to India to see some of my aunts and uncles, whom I had not seen in a long time. I also enjoyed spending some time with my niece and nephew in Bangalore.

As we start a new year in the Upper Elementary, I am excited about working with each of the students to help them achieve their fullest potential. Based on my Montessori training and teaching experience, which goes up to senior high, I know that each student can soar with the right learning environment and nurturing, and this is where Pebblecreek Montessori excels.

Enjoy the rest of the vacation and get ready for new challenges and discoveries. Please mark your calendars for August 22nd, 2008 for the Elementary picnic. I am looking forward to seeing all of you there.

Love,

Mrs. Sarma
